ABOUT THE JONSSON CANCER CENTER FOUNDATION

The Jonsson Cancer Center Foundation (JCCF) is the single-most important vehicle for raising private funds for cancer research at UCLA. Prevention, detection, and treatment define the mission of UCLA's Jonsson Comprehensive Cancer Center (JCCC). The JCCC has an international reputation for developing new cancer therapies, providing the best in experimental and traditional treatments, and expertly guiding and training the next generation of medical researchers. Under the direction of Dr. Judith C. Gasson, the JCCC has been ranked among the nation's top 10 cancer centers by *U.S. News & World Report.*
