National Cancer Institute Site Visit Scheduled for May 2013

A National Cancer Institute survey team will visit UCLA's Jonsson Comprehensive Cancer Center on Wednesday, May 22, to conduct an on-site review as part of the competitive renewal process for a five-year Cancer Center Support Grant. The review team will consist of cancer specialists from around the nation who are selected by the NCI and who will meet with JCCC senior leadership. JCCC received its current Support Grant of over \$28 million in 2008 after earning a numerical score equivalent to excellent from the NCI.
