### Australian Adventure – Luxury Expedition of the Australian Islands

Embark on an Australian adventure where you and a guest will explore the unmatched beauty of the country's land and sea. You'll travel in comfort with business-class seats aboard **Qantas Airways** to Sydney, Australia, where you will be treated to a two-night stay at a premier hotel. While in Sydney, Australia's oldest and largest city, enjoy a meal at the country's most beautiful dining room, **Rockpool Bar & Grill**. This award-winning establishment received "Best New Restaurant" in the *Good Food Guide 2010 – Sydney Morning Herald*.

From Sydney you will embark on a seven-night luxury adventure cruise along Australia's South-East coast, courtesy of **Orion Expedition Cruises**. Orion is the epitome of elegance, and with just around 100 guests on each expedition, you'll feel more like you're on board a mega-yacht than a cruise ship. All rooms feature ocean views, internet access, flat-screen TV, DVD/CD player, a sitting area and marble bathrooms. On board you will enjoy access to a health spa, gym, sauna and sun deck Jacuzzi. Orion kindly offers a range of included and optional Shoreside Expeditions, giving guests the unique opportunity to visit areas of Australia that most Australians rarely get to see.

Beginning in Sydney on your November 9, 2010 departure date, Australia's Wild South-East voyage will delve into each stop along the way by Zodiacs perfectly equipped to explore the beauty of these ports. You will set out for Jervis Bay National Park, known for its clear waters and white sands. Two days at Huskisson & Hyams Beach will ensure that you have plenty of time to partake in the water sports, whale watching, diving and fishing this park has to offer. Next you'll be off to Montague Island, a nature reserve and home to nearly 50 species of fauna and an ever-growing population of Little Penguin. Day five of your expedition brings you to Eden, today a major commercial fishing center boasting fresh seafood, craft shops, galleries and a fascinating Killer Whale Museum providing a glimpse into the town's unique history. Sealers Cove will be your next destination, where you'll explore a secluded beach most people hike three hours to reach. However, Orion's Zodiacs will get you there by sea with no hike required. Explore Wilson's Promontory National Park and areas rich with giant tree ferns and streams. A range of optional tours will be available at your next location – Phillip Island. You'll remain on the island into the evening to allow a view of the nightly Penguin Parade, the island's most famous attraction and a visit to the Koala Conservation Centre during the day. Finally, you'll disembark from the expedition of a lifetime in Melbourne, a city renowned for its architecture, sporting institutions and culture. This will be Orion's inaugural visit to the great city. From Melbourne you will be flown back to Los Angeles courtesy of Qantas Airways to complete your vacation.
