Publicize Yourself: Update Your Selected Publications

As a JCCC member, your online profile is often the first stop patients, potential donors and fellow researchers will make to learn about your research and accomplishments. Did you know that you can highlight up to five selected publications on your profile? Click here to read the Member Profile Guidelines and update your pubs today.

Clinical Trials at Your Fingertips

- Connect you and your patients with clinical trials at UCLA. Click here to learn all about our online database, and how to submit and update your own trials.

Funding Opportunities

- Members can now access online a complete list of the latest research grant opportunities directly from the JCCC website.

New Publications Archive

- Have you recently published, or do you want to find out the latest pubs of fellow members? Follow the link to visit the new online pubs archive.

You Are What You Eat: Low-fat, Fish Oil Diet Slows Growth of Prostate Cancer Cells

A new study led by JCCC researcher William Aronson has found that men who eat a low-fat diet with fish oil supplements (compared to a traditional, high-fat Western diet) were able to change the composition of their cell membranes, in both the healthy cells and the cancer cells in the prostate, as well as slow down the growth of those same cancer cells. One Person Can Make a Difference

Over the past 12 years, Dorothy Leeb, who lost her husband Dr. Alvin Leeb to melanoma in 1994, has raised nearly $200,000 for highest priority research at J CCC. The Alvin J. Leeb Cancer Research Fund has helped jumpstart promising cancer research as well as early use of the molecular screening shared resource. During this Thanksgiving season, we’re especially grateful for generous friends such as Dorothy who are dedicated to supporting research at the JCCC.

Profile: Grace Suomi—Young Cancer Patient Battles Ewing’s Sarcoma

Hearing the words, “Your daughter has cancer” is every parent's worst nightmare. In this inspiring profile, read how six year-old Grace Suomi, with the unwavering love and support of her family and the aggressive care of Dr. Noah Federman and his team at the JCCC, have won a year-long fight against Ewing’s Sarcoma.
